The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to license or operate any amusement game in the State of New Jersey without a valid Certification of Permissibility or in a manner not in accordance with Certification of Permissibility issued for the game. This Certification of Permissibility contains two pages. This is page 1 of 2.

GAME DESCRIPTION

Wonder Wheel is coin operated redemption game with a bonus jackpot feature. where a player drops a coin into a slot which propels the coin up a ramp and into a rotating wheel. The wheel has slots of different sizes which correspond to different prize values. Tickets awarded are based upon the timing of when the coin enters a specific slot on the wheel. A bonus is awarded when a coin enters a bonus slot. This bonus is enhanced if another bonus is hit within the allotted time period.

CONDITIONS

- 1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-3.4.
- 2.) Payout must occur immediately in the form of tokens or tickets.
- 3.) Game shall be clean and free of debris.
- 4.) Game shall be installed and maintained according to manufacturer specifications.

This certification is not a license to operate the captioned gambling device. The device may only be operated in a location specifically approved for the operation of amusement games pursuant to the Law and Regulations.

The Commission reserves the right to suspend, revoke or modify this certification upon notice to the manufacturer and/or applicant.
